

Source Summary — Visual Advertising Pack 2026

The visual ad pack converts the CMO strategy into visual campaign concepts.

Example campaign messages include: - WHAT DO YOU NEED? - MADE ON CAMPUS. - SELL HERE. - CAN'T FIND IT? - SEE IT. TAP IT. GET IT. - GOING THAT WAY? - GOOD THINGS. CLOSER. - YOUR SIDE HUSTLE HAS A HOME. - BUY. SELL. MOVE. BUILD.

Final production should use the approved custom Vossie logo artwork and brand assets rather than retyping/recreating the logo.
